## GREAT FUTURES START **HERE.**

### PROGRAMMING UPDATE

In 2019 we focused on growing programs we were already active in to get the maximum number of youth involved. We experienced tremendous growth in participation in Indiana Kids, a program designed to increase academic achievement and college and career readiness. Smart Decisions programming was also a major focus in 2019— teaching our youth about drug and alcohol abuse, health, fitness, responsibility, and self-esteem enhancement.

### FUNDRAISING

BGC was selected to receive a special 2.5-1 match for our endowment through the Harrison County Community Foundation for up to \$100,000! In 2019, we raised \$57,000 of this goal, with an additional \$28,000 pledged for 2020. We have only \$15,000 more to raise by December 1, 2020 to receive the full match, taking our endowment to nearly \$500,000!

A special thank you to those who participated in our Sponsorship Program in 2019! Thank you **First Harrison Bank, Lucas Oil, First Savings Bank, and Phyllis Rhodes** who gave in honor of her sister, Marilyn Rhodes!
