

HERE WHEN YOUTH NEED US MOST

2021 was another challenging year for the Boys & Girls Clubs. Despite being open additional 12-hour days due to school closures, a need for more staff to accommodate social distancing requirements, and an overall difficulty in finding enough staff, our organization persevered and is ready to address needs of the whole child in Crawford and Harrison Counties in 2022.

FUNDRAISING

BGC was able to (safely) host several fundraisers in 2021 including the 4th annual Great Futures Gala, a BBQ Chicken Dinner, and the first annual Jingle Run through Marengo Warehouse.

Our Clubs were able to secure a second round of PPP, allowing us to continue operating at full capacity, and received many unexpected grants that will help us to make 2022 our strongest year yet.

LOOKING AHEAD

In 2022, BGC has big things in store, especially for our Crawford County programs! We are in the final stages of licensure for our daycare site, we received money from Early Learning Indiana to expand our daycare and pre-school programs, and we hope to move all BGC Clubs to one location in Marengo!
