

HERE WHEN YOUTH NEED US MOST

In 2022, the Boys & Girls Club made great strides in resuming pre-pandemic service. Our Daycare and preschool received state licensure, we consolidated our Crawford sites into one centralized, freestanding club, and continued upward growth at our Harrison County clubs - including the freestanding club in Corydon and 21st Century Community Learning Centers in Heth Washington and South Central Elementary schools.

FUNDRAISING

BGC held our annual Great Futures Gala, raising nearly \$19,000 in unrestricted funds. We also held a Back to School BBQ Dinner and Open House, and had our greatest return for our End Of Year Appeal.

Our Club in Crawford County began it's new cohort as a 21st Century Community Learning Center. We also received a \$100,000 grant to improve our facility and purchase items required for state licensure.

LOOKING AHEAD

In 2023 the Boys & Girls Club is ready to take our programming to new levels with improved staff training and increasing access for youth through expanded transportation and programming opportunities specifically for our teen members.
