CLUB READINESS

In order to support the success and safety of all registered members, it is important that participants are “*Club Ready*”. To assist in determining if a child is “*Club Ready*”, the following criteria has been developed.

- Able to participate in Club programs independently or with minor accommodations.
- In Grades K** - 12. (see below)
- Able to use the restroom independently or with minimal verbal prompting.
- Able to take direction and instruction from staff.
- Comfortable with, and able to interact in a group environment.
- Can successfully participate in a group with an adult to youth ratio of up to 1 to 20. (one adult to every twenty youth)
- Interacts and participates in programs in a manner that is physically and emotionally safe for themselves and others.

** - Must have completed first year of Kindergarten.
